At 7:45 P.M. the Town Meeting reconvened in the Fire Station to act upon Articles 2 through 29. The meeting was started with

the Pledge of Allegiance to the Flag. Moderator Edward Libby announced the results of the vote for Town Officers, School Board Officials and Town Zoning Amendments. He then explained the rules of conduct for the meeting, and announced that the meeting would close at 11:00 P.M. unless the end of the Articles was near.

Article 2. It was moved by Lew Hanson and seconded by Diane Kline to raise and appropriate such sums of money as may be necessary to defray the Town charges for the ensuing year and make appropriations of the same. The sum being \$577,009. Walter Newcomb asked if this was the section that dealt with the Selectmen's salary. Mr. Newcomb is concerned with the increase in the Selectmen's salary. He has made a comparison with other towns and feels that \$10,000 is out of line. Mr. Newcomb would like to amend this Article to reduce the Selectmen's salary line item by \$18,000 making the total for this Article \$559,009. This motion was seconded by Jacqueline Berghorn. Diane Kline spoke for the Selectmen. Ten thousand dollars is more than other the Selectmen in the area get. Meredith and Holderness have Town Managers. The Sandwich Selectmen are paid an hourly rate in addition to their salary. The Center Harbor Selectmen do the budget, meet with the Coalition, and when needed with the Town's Attorney, in addition to the regular Selectmen's meetings. The ten thousand dollars would allow for different age groups to be Selectmen. Bart Coudert said that \$10,000 is a lot of money, but not that much. If we go back to what it was only a certain number of people would be able to participate in our Town government. The vote was 72 for and 51 against the amendment. The amendment passed. This Article passed by majority vote for the amended sum of \$559,009.

Article 3. It was moved by Lew Hanson and seconded by Allan Whatley to raise and appropriate \$267,705 for the maintenance of Town Highways and Bridges, including sidewalks and dead tree removal. \$26,894 to be paid from State Highway Block Aid, the balance of \$240,811 to be raised by taxes. The motion passed by majority vote.

Article 4. It was moved by Lew Hanson and seconded by Carolyn Schoenbauer to raise and appropriate the sum of \$60,000 as part of the Town's share of a State Aid Reconstruction project for the reconstruction of Center Harbor Neck Road, Anthon Road and High Haith Road. The motion passed by majority vote.

Diane Drenkhahn made a motion to amend this Article to add \$15,000 for a software package for the Police Department. This software package is to make the Police Department compatible with the Dispatcher at the Sheriff's Department. The Selectmen wanted to wait to purchase this software until the report from MRI, which is studying the Police Department. The Selectmen wanted to wait and see if Center Harbor could work something out with the Meredith or Moultonboro Police Department before we purchased the software package. Chief Faller explained that he was supposed to get the software free, but that didn't happen. Bart Coudert asked how this software would help Andy. Andy Faller responded that this system gives you forms, statistics and reports. The vote on the amendment to add \$15,000 for the purchase of a software package for the Police Department that would increase the total amount to \$139,000 was passed by majority vote.

The study will evaluate the renovation of the basement area and/or and addition on the uphill side of the Library. Scott Davis presented 5 signatures asking for a secret ballot. Before the vote Jon Pounds explained that the Library at present is filled. The scope of the study would be to work with an architect and engineer to find out what their options are. Janet Stearns stated that the Library budget has increased by \$20,000. Mr. Pounds explained that salary, insurance, fuel furnishing and equipment maintenance accounts for \$12,000 of the increase. Janet Stearns asked where we stand with the Sheafe Harbor

House buildings. Ken Ballance, answered that until the Court system does something they will probably stand there and rot.

Ken Ballance asked those assembled, not withstanding the politics of the situation, to have introduced into the public record, that on this day, March 12, 2002, we the people of Center Harbor assembled for this meeting would like to commend the patriotic individuals of the United States Military for engaging the enemies of the United States in the fight to beat terrorism.

Our extended library hours during the summer have been very successful and this year we made the decision to keep the extended hours through the month of September. Our two public computers were used by 858 people to access the internet via Metrocast's free cable hook up. We thank Metrocast for providing this fast and dependable service at no charge to the Library. We were grateful to receive a \$250 donation from the Lions Club as part of their commitment to people with vision difficulties. The gift was used to purchase unabridged audio tapes and large print books.

The generosity of the Meredith Village Savings Bank and Trustee, Helen Heiner, made possible the purchase of passes to the Christa McAuliffe Planetarium and the Squam Lakes Natural Science Center. Hampshire Hospitality Holdings again provided four passes to the Mount Washington cruise ship and mail boats for May-June and September-October. Patron passes to the Currier Art Gallery and Canterbury Shaker Village were funded by the Library.

The annual Library book sale was held in July in conjunction with the Center Harbor Congregational Church flea market and added funds to purchase library materials. The success of the sale was made possible by many individual donations of library materials. We are grateful for the many cash gifts made to the Library and for the donation of books from the Meredith, Moultonboro, and Plymouth public libraries to the Library collection.

We appreciate the aid of the Parks and Recreation Department in cosponsoring four programs at the Library this year which were led by Eloise Coudert. Eloise provided a children's garden program in May, a family sing along in September, a children's craft program in November and with the help of the Trustees, a holiday open house in December. Thanks go to Eloise for the fine presentations. We are grateful to Joan and Paul Mayerson for doing three very interesting slide shows during the summer months for the Library. Topics included Afghanistan, a traveling exhibit of sculptures from Zimbabwe and gardens of England and the United States.

The New Hampshire State Library has paid the licensing fees to provide public and school libraries access to EBSCO databases and Ancestry Plus. EBSCO includes twelve databases indexing articles in more than 2,000 periodicals and newspapers in the areas of general reference, business, health, and education as well as information designed for student research projects. EBSCO may be accessed through home computers as well and the Library staff will be happy to provide individuals with the user name and password. While Ancestry Plus is only available at libraries, it will be a great tool for genealogical research with its access to 3,000 databases.

Since August, free computer instruction has been available to interested patrons at the Library. We are fortunate to have the services of volunteer Jane Varley for this program. Jane is a retired reference librarian and provides an introduction to basic computer skills, internet searching and E-mail.

Thank you to assistant Judy Hodges and Gayle Lacasse and all our volunteers for their help and hard work. I appreciate the continued support of the Library Treasurer, Trustees, and Library Association.

Sandra S. Pickel  
Librarian

The Town of Center Harbor is under contract with Grzelak & Co. to be audited in 2003. The audit will be available in the Town Office upon completion.

## CENTER HARBOR PLANNING BOARD REPORT

The year 2002 brought no major new projects to the Planning Board. The Board had anticipated receiving the site plan review for the New Hampshire Music Festival, however, the final plans for the concert hall are still in the offing. The Board did approve living facilities for some staff members and administrative spaces for Festival activities. The Music Festival did hold several publicity events during the year, all of which were approved by the Town.

There were several sub-divisions requested and approved; among them the final phase of the Woodridge development and a three lot division on the corner of Keyser Road and College Road. Initial steps were taken to begin site plan review for a seven lot sub-division off Piper Hill Road next to Hawkins Pond. The ZBA has issued most of the necessary variances. All of the lots created or anticipated are over the 5 acre minimum average desired in the Ag-Rural Zone.

We welcomed Joan Dole and W. Lee Woodworth to The Board.

Any Center Harbor resident who is interested in Town activities and planning for future development is welcome to join us. We also are pleased to have an audience at any of the twice monthly meetings, to either observe or comment.

## Center Harbor Conservation Commission

### 2002 Annual Report

The Commission concerned itself with a number of Dredge and Fill permits for the reconstruction of existing docking facilities and shoreline construction on the lakes within the town during the past year. The Department of Environmental Services-Wetlands Bureau has helped out in situations where enforcement of conservation policy and law was required.

The Commission completed its sixteenth year of Lay Lake Monitoring in Center Harbor Bay. Samples from the deep water site of Center Harbor Bay were conducted with the assistance of the Freshwater Biology Group of the University of New Hampshire. Lake monitors take water samples on a weekly basis during the summer months. Since the inception of the monitoring program in 1986, Center Harbor has continued to enjoy the benefits of an oligotrophic (clear and clean) lake. This program is part of a statewide monitoring program.

As part of the annual tree planting program, fifty eastern red cedar trees were planted near and around the beach erosion retention pond in an effort to create a more environmentally friendly space. Future tree plantings are being planned.

The Commission also began investigating the feasibility of making part of Center Harbor Bay a no-wake zone near the town docks because of the damage to boats, the docks, but more importantly, the people at the dock and town beach area.

The Commission continues to be involved in the annual Household Hazardous Waste Collection Day in July. We also continue to designate The Ken Sorlien Campership Award to two Center Harbor youths. It is the Commission's purpose to continue to promote conservation awareness through involvement, education, and hands-on participation in conservation activities.

Finally, the Commission wishes to thank Ingrid Smith, who is completing her commission, for her many years of service to the promotion and support of conservation practices in our town.

Annual Report  
of the  
Center Harbor Volunteer Fire Department  
2002

The year 2002 was a busy one for the fire department with a record 250 calls for service. This was a 18% increase in activity over the year 2001. Out of the 36 member communities of the Lakes Region Mutual Fire Aid Association, Center Harbor ranked 20th for volume of activity. We experienced a 25% increase in fire related calls, which include structure fires, car fires, chimney fires, brush fires, tree limbs on wires, electrical problems, fuel spills, alarm activations, smoke investigations, etc. Medical Emergencies saw an increase of 18% , while motor vehicle accidents and service calls remained virtually the same as the prior year.

Training of our firefighters continues to be a top priority with 11 of our 18 members being State of New Hampshire Certified Firefighters or Nationally Registered Emergency Medical Technicians or both in the case of one of our members. The time which is given to keep these skills sharp, is truly a large commitment from these volunteers. Training sessions are conducted every Thursday evening throughout the year with additional training taking place periodically on weekends and other evenings.

Members of our department trained this year with neighboring communities in the proper procedures for emergency medical evacuations by helicopter in Sandwich and a rigorous course in driver-training was recently completed in Meredith.

The members of the Center Harbor Volunteer Fire Department would like to invite any of you over the age of 18 to join us serving our neighbors. We currently have members on our department from Moultonborough, Meredith and Holderness as well as Center Harbor and are always seeking volunteers . No special skills are required, just a willingness to help out your community. There are few activities in life that are so rewarding. Younger people can also participate by joining the local Fire Explorer Post in Meredith. For more information just call the fire station at 253-4451.

Please remember to check your smoke detectors frequently and if you think you have an emergency, dial 911

Respectfully submitted,

D. Scott Davis, Chief of Department

## Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests and Lands cooperate and coordinate to reduce the risk of wildland fires in New Hampshire. To help us assist you, contact your local Forest Fire Warden or Fire Department to find out if a permit is required before doing ALL outside burning. Fire permits are mandatory for all outside burning unless the ground where the burning is to be done (and surrounding areas) is completely covered with snow. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines up to \$2,000 and/or a year in jail, plus suppression cost.

A new law effective January 1, 2003 prohibits residential trash burning (RSA 125-N). Contact New Hampshire Department of Environmental Services at (800) 498-6868 or [www.des.state.nh.us](http://www.des.state.nh.us) for more information

Help us to protect you and our forest resources. Most New Hampshire wildfires are human caused. Homeowners can help protect their homes by maintaining adequate green space around the house and make sure that the house number is correct and visible. Contact your fire department or the New Hampshire Division of Forests and Lands at [www.nhdfi.org](http://www.nhdfi.org) or 271-2217 for wildland fire safety information.

Center Harbor Police Department  
2002 Annual Report

The start of 2003 holds much promise, most of which comes from the events of 2002.

We are starting the new year with three full-time officers in the Police Department. Many thanks go to our new "full-timer," Rob Nedeau, who has been with the Department as a part-time officer for quite awhile. Officer Nedeau has assumed his expanded duties in an enthusiastic and professional manner. We were very fortunate that he was not only already trained in our departmental procedures, but is also already certified as a full-time officer so we won't need to send him to the Police Academy. All of that represents savings in time and money for the Town. Additionally, I would like to extend my personal and professional thanks to the Board of Selectmen. The Board recognized the need for a third officer to appropriately meet the needs of Center Harbor. The support of the entire Board is greatly appreciated and I believe the Town will benefit from this decision.

As many of you may recall from 2001, the Police Department requested the ability to purchase new software. That request was granted and we have now purchased a software package called "IMC" (Information Management Corporation) that will allow us to enhance our record keeping and improve our ability to report various statistics to both the State of New Hampshire and the FBI. We are still at the beginning of the learning curve but all the officers are excited about being trained in the use of the software and implementing it to improve the quality of our administrative work and to save time in the process.

All of that is not to say that we didn't have to deal with some complicated issues over the last year, perhaps most notably the Management Review performed by MRI (Municipal Resources, Inc.) I truly believe, however, that we have successfully come through that process and are better for the experience. As a result of having the review performed and being given the opportunity to work with the Board to determine what was most appropriate and beneficial for the Town to implement, communications between the Board and the Department are among the best they have been within the last three years. I would like to especially extend my personal thanks to Chairman Hanson for his efforts to find the positive key values in the review, create an atmosphere where the issues presented could be addressed and to move forward in a positive and supportive manner. The entire Town will benefit from the hard work and dedication that all three of the Selectmen brought to the process.

The Police Department remains committed to meeting the needs of the community and appreciates the inter-agency cooperation we receive toward that end. In particular, I would like to acknowledge the assistance we continue to receive from the Towns of Moultonborough and Meredith, New Hampshire State Police Troop E and the Belknap County Sheriff's Department. It is only through the collaborative efforts of all these agencies that the Center Harbor Police Department can continue to offer the level of service to the community that residents have come to expect.

I would also like to thank everyone who took advantage of my "open door" policy and came to me with questions and concerns over the last year. I always welcome the opportunity to talk with you. I hope that more people will call or stop by in the coming year because I truly believe that a police department is only as good as the townspeople that support it. On behalf of all of the members of the Police Department I would like to extend my thanks to you, the towns people, for your ongoing support of the Department. It not only ultimately makes my job easier, but it enhances the results to have that kind of support and it is certainly appreciated.

If you need to reach the Department, please use the following numbers:

<b>Emergency:</b>	527-5454 (Belknap County Sheriff's Department dispatch)
<b>Non-Emergency:</b>	253-9756 (CHPD office, also serves as a fax line)

CENTER HARBOR PARKS AND RECREATION  
2002 ANNUAL REPORT

In 2002, the town expanded its recreation programs to include more children, adult, and senior recreation opportunities. These new programs were very successful. Children, adults and seniors from our town and other surrounding towns had the opportunity to enjoy participating in these recreation activities.

A six-week Yoga program was held this year during the latter part of March and the beginning of April at the Cary Mead room and boasted more than a dozen adult participants.

More than 125 children combined enjoyed the annual Easter Egg Hunt and Halloween Party at the town fire station this past year. With the efforts of citizen volunteers, E. M. Heath, Inc., and the town's volunteer firemen, these events were a tremendous success.

A boat launch attendant was on duty this year from Memorial Day through the end of August at the town docks. The attendant's primary responsibility was to collect launch fees from non-resident boat owners and to answer boat owner questions regarding the use of the boat launch area.

The town's summer programs saw 43 children involved in the "Learn to Swim" and "Arts and Crafts" programs. Our certified Red Cross "Learn To Swim" program graduated nearly two dozen children at various swim levels. Our beachfront programs received many positive comments from parents and their participants. Center Harbor Beach is considered to be a clean, safe, and extremely well monitored beachfront among those around the lakes region. It was staffed by four certified lifeguards, with at least two guards on duty at all times.

The July 4th celebration included the 24th Annual Center Harbor Footrace which had 449 total participants for the children's race and the adult 2 and 5 mile races. Our town was honored by the presence of Shannon Bahrke, the Olympic Silver Medalist in Freestyle Moguls at the 2002 Winter Olympic games at Salt Lake City. Shannon was a participant in the 5 mile race. The parade, "A Star-Spangled Spirit" was led, for the first time, by parade marshal and former selectman, Aaron Smith. He rode in a Model A Ford driven by his wife, Ingrid. A lobster bake at the fire station and a live band concert at the bandstand followed in the evening. The annual fireworks display was delayed to the evening of July 5 and brought the celebration to a close.

The Annual Horseshoe Tournament took place in August on one of the hottest days of the summer. The near 100 degree heat made for low participation. Our town beach recreation facilities includes two regulation horseshoe pits which are open to public use. The "Harborpalooza" concert followed a few days later and was attended by more than 150 people. Many talented townspeople took center stage on the bandstand and performed their favorite music for the enjoyment of all who attended.

Center Harbor recreation co-sponsored senior morning music programs, weekend children's programs and adult crafts programs with the Nichols Memorial Library. These programs proved to be well attended and therefore a success. Future programs are being planned.

Center Harbor Recreation also sponsored a Main Street flag display project. In an effort to raise the spirit of patriotism, fourteen U.S. flags were installed along Main Street. Future flag display plans include holiday flags being displayed at appropriate times.

The town's softball field underwent renovation with new infield material, regrading and the backstop being reset in concrete. In addition, the town tennis courts got a new practice wall and wind screens, and the swim float at the beach had a new deck installed. Finally, the town basketball court was resurfaced, the nets replaced and the backboards refurbished.

A new era is underway in the Executive Branch of your NH State Government, headed by Governor Craig Benson. I envision that his administration will be bringing new and innovative ideas of a modernized New Hampshire State Government, by utilizing tools of the new age of technology. This will bring enhanced services to the citizens and users of NH State Government. Through the many checks and balances of power at the State Capitol, Governor Benson will not go too slow or too fast.

I encourage citizens to contact Governor Benson and offer to serve on a Board or Commission. Each biennium more than 300 citizens are appointed to these public Boards. The address is: State House, 107 North Main St. Concord, NH 03301. The phone number is: 603 271-2121. A new administration is in Concord. Let's make very sure our region is a part of the Benson era of New Hampshire! For a listing of the Boards and Commissions under the authority of the Governor and Council, please visit the Secretary of State Web site at: <http://webster.state.nh.us/sos/> or call my office at 271-3632.

As Councilor, I will be conducting official tours with Commissioners and Directors of State Agencies all summer and fall of 2003. If you have a

special event or project you would like a certain agency to visit or focus on, please let me know.

As Councilor, I will be holding official summer 2003 hearings on proposed changes to the NH Ten Year Highway Plan. All Town, Counties and Cities will be notified of this schedule of public hearings in your region. Please utilize your regional Planning Commission as a starting point for your transportation ideas and concerns. For detailed information on the Ten Year Highway Plan visit the Department of Transportation web site:

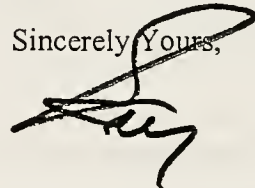

<http://webster.state.nh.us/dot/>

All citizens and public agencies should contact our NH Congressional Delegation and ask for more support from Washington, DC. New Hampshire ranks near the bottom of the list in monies returned back from the Federal budget.

For every dollar of taxation we send to Washington we get back ONLY 71 CENTS! Let's send many lists to Senators Gregg, and Sununu, and Congressmen Bass and Bradley and give them a chance to do better!

Please keep in touch with my office. I am at your service.

Sincerely Yours,

Our work program is as comprehensive as it is full, with activities ranging from technical assistance, geographic information systems, transportation, land use and environmental planning, to economic development. We are funded from multiple sources including local and state government, as well as special studies. LRPC is contacted many times each week for answers to local concerns. We also continue to maintain a regular dialogue with state agencies that depend on us as a resource for the entire Lakes Region. Our goal is to provide support and leadership to the region, its governments, businesses, and citizens.

## REPORT OF NEW BEGINNINGS

On behalf of New Beginnings - A Women's Crisis Center, I would like to thank the citizens of the Town of Center Harbor for their continued support. Your 2002 allocation of eight hundred fifty dollars (\$850.00) has enabled us to continue to provide 24-hour crisis support, outreach, and assistance to victims of domestic and sexual assault in all of Belknap County.

Our organization operates a full-time shelter, staffs a 24-hour crisis line, provides advocacy at court, hospitals and police stations, social service advocacy, and peer support groups for victims of domestic violence and sexual assault. We also run community and school based education programs. We are members of the Belknap County Family Violence Prevention Forum, a task force made up of community members and professionals initiated by the Governor's Commission to take a stand against domestic and sexual violence in our county.

New Beginnings had advocates and staff in Belknap County courts each working day of this budget year. New Beginnings volunteers donated 15,299 service hours. All services are provided free of charge.

We are members of the state-wide NH Coalition Against Domestic and Sexual Violence, promoting statewide networking and resource sharing among domestic violence and sexual assault programs. The coalition is the evaluating body and administrator of state and federal contracts that provide some funding for member programs and advocates for legislative change that affects victims of domestic and sexual assault.

If you need further information please call 528-6511.

Sincerely,

Kathy Keller

Through the State of New Hampshire, under Title XX, sliding fee scale tuition, based on income and family size, is available for purposes of employment, training, academic pursuits, job search, or temporary disability. Supporting families with quality, comprehensive child care leads to strong families raising healthy children. We extend our sincere thanks to the Town of Center Harbor for its continued support.

# LAKES REGION COMMUNITY SERVICES COUNCIL

*Dedicated to serving the community by promoting independence, dignity and opportunity.*

Lakes Region Community Services Council provides support and services to families with children and adults who have developmental disabilities and live in Center Harbor and the surrounding communities. Some of the supports we provide to people with disabilities includes: support to families, respite, help to find jobs, help with keeping employed, involvement with community events, assistance with personal care needs and transportation.

Last year we again used the funding requested to support a recreation position. The recreation coordinator has been working on providing recreational opportunities for individuals in the Center Harbor area and surrounding towns. She has been collaborating with local associations that already have existing programs and providing assistance to make the programs inclusive for all to participate.

We would like to thank the citizens of Center Harbor for your on-going and future support of making recreation opportunities available for all to participate.

Respectfully Submitted,

Richard Crocker

## REPORT OF THE WINNIPESAUKEE WELLNESS CENTER

The Town of Center Harbor has contributed to our success since we opened in January of 2000 and we are most grateful for the support. In 2002, 45 Center Harbor residents utilized our facility.

The Center is for the maintenance and improvement in health in an effort to avoid sickness. Recent studies published in such journals as the New England Journal of Medicine provide evidence that the program we offer will provide people with healthier habits. They will not only live longer, they will live better, experiencing only half as much chronic disability as their less prudent age mates.

Please call 253-1839 for further information.

## Report of Genesis Behavioral Health

Since July 1, 1966, Lakes Region Mental Health Center, Inc. d/b/a Genesis Behavioral Health (Genesis BH) has provided mental health services to residents of the Lakes Region, including Center Harbor and addition towns in Belknap and southern Grafton counties. Our mission is to provide mental health services in the community that are respectful, effective appropriate and responsible. In fiscal year 2002, Genesis BH served:

- 634 children between the ages of 1-17;
- 1,278 adults between the ages of 18-59; and
- 247 elders 60 years of age or older.

From Center Harbor, a total of 36 residents were served. From that number, 10 were children under the age of 17, 23 were adults under the age of 59, and three were elders 60 years and older.

Since 1980, Genesis BH has provided services to residents with chronic mental illness. Clients living every day with a mental illness face a lifetime of challenges that most of us can barely imagine. The Genesis Community Support Program helps these individuals with training, therapies, medications, and more to help them on their road to independence.

Since 1993 we have seen a tremendous growth in demand for child and youth outpatient services. In 1995, Genesis BH began providing services to children in schools, both during school hours and in after-school programs. That same year saw the introduction of a vacation/summer youth program. Today the TREK (Therapeutic Recreational Experience for Kids)™ program continues to provide group activities to for approximately 200 children, with the goal of developing positive peer relationships, building self-esteem and developing problem-solving skills.

Our Adult and Elder Services provide community training to police and fire departments. Every year, the Gatekeeper program trains hundreds of community volunteers who watch for elders living at home who may need assistance. Genesis BH is also active in 14 senior housing units, providing education and counseling to residents.

Genesis BH also provides full psychiatric services for clients of all ages and Emergency Services 24 hours a day, every day.

For the fiscal year ending June 30, 2002, Genesis BH provided \$17, 316.88 in so-called "charity care" to residents of Center Harbor. This represents the difference between what these residents can afford to pay versus the actual cost of providing services to them.

We are asking Center Harbor for an allocation of \$1,245, which equals approximately \$1.25 per resident. We are not asking the town's residents to bear the entire cost of services provided. We only ask that the Town share in the cost of helping to strengthen the community's overall mental health.

Thank you.

## Looking Back

*Inter-Lakes high school students took the Youth Risk Behavior Survey in 2001.*

*Some of the results reported:*

- *31% of the students reported having ridden in the car with someone who had been drinking*
- *38% reported initial experimentation began at age 12*
- *95% of the graduating class reported having experimented with drugs and alcohol.*

## CoRe

As you read the title of this newsletter you may be asking yourself what is "The CoRe of the Communities?" On the other hand, you may already be aware and actively involved in the COMMUNITY RESPONSE Leadership Group (CORE). CoRe was formed in the towns of Center Harbor, Sandwich and Meredith in 2001. A group of concerned citizens from each of the three towns formed the group in re-

... a brief history

sponse to a Youth Risk Behavior Survey that was administered to high school students at Inter-Lakes. The Survey measured the amounts of high-risk behaviors (including drugs, drinking/driving, and sexual activity) students had participated in. The survey reported some frightening but stark facts about our youth. The "Looking Back" section (to the right) on this newsletter lists some of the informa-

tion obtained from the survey.

Core's mission is to decrease incidents of high-risk behavior among our youth. The group has been working to do that since it was formed in January of 2001.

## CoRe Grant

Last year CoRe applied for and received a formula grant through the Department of Health and Human Services. The grant enabled the group to: hire a project director, provide ongoing

parent education classes at the high school and plan two community forums.

Renee Hill was hired in October as the project director. She has been teaching in the

district for the last two years. In addition, the grant allowed Mike Torch, a licensed alcohol and drug counselor, to teach the ongoing parent education classes at the high school.

## NOTES

## Private Well Users!

Have you had your well tested recently?

Drinking water from private wells in New Hampshire sometimes contains contaminants at levels that can pose health risks. Only a water quality test, by a competent laboratory, can assure that your family is protected.

What types of contaminants might be present in your well?

The following contaminants, some naturally-occurring and others man-made, have been found in private well water in New Hampshire:

Arsenic

Bacteria

Fluoride

Nitrate

Radium

Radon

Sodium

Uranium

Volatile Organic Chemicals (VOCs)

Where can you learn more about this?

For further information, please visit the N.H. Department of Environmental Services' website at [www.des.state.nh.us/wseb](http://www.des.state.nh.us/wseb), then select "fact sheets," then 2-1.
